

Re: Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary.

You already know
that this is wrong
on a multitude of
levels. I simply
hope you can see
past your partisan
allegiances to the
Bush Administration
and remember that
you are Americans
BEFORE you are
Republicans.

The issue is not
that "Stolen Honor"
is a Kerry-bashing
bit of propaganda.
The issue is that
Sinclair is
pre-empting the
broadcasts of
several different
networks to unduly
influence the voters
of the mid-west. I
don't think the
answer is to show
Fahrenheit 9/11 or
Upriver. It's
obvious that the
intent of Sinclair
Broadcasting is to
use their unwieldy
and
dis-proportionate
ownership of
"Private"
broadcasting outlets
to influence the
election. If that's
NOT the case, then
let them air the
film AFTER the
election.

YOU need to address
this IMMEDIATELY.

Thank you.
